MuralWorks

In partnership with the City of Cincinnati

(60 - 100 Apprentice Artist positions available)

IMPORTANT - Some murals may last longer than 6 weeks. There may be opportunities to work longer than 6 weeks and earn more money on the MuralWorks projects.

Cincinnati wants murals!

This is MuralWorks' third summer, and again ArtWorks Apprentices and Teaching Artists will bring art, color, vibrancy, and life to the neighborhoods of Cincinnati AND for the first time in Northern Kentucky! This summer, there will be 6 - 8 mural projects. Teams of ArtWorks Apprentices will work with communities and professional artists to create exterior murals. Through these projects, Apprentices will collaborate in community building, community ownership, and beautification and create prominent, lasting works of art.

This summer we plan to paint murals in:

Clifton Heights	Northside
Columbia Tusculum	Over-the-Rhine
Covington	South Cumminsville
Evanston	

Apply for this project if you:

- Have an interest in painting
- Want to create art in your community.
- Are interested in public art

Skills you will use and learn: Drawing, painting techniques, and design skills

VISUAL ARTS

Future Blooms

In partnership with Keep Cincinnati Beautiful

(12 Apprentice Artist positions available)

Spruce up your city.

Apprentices will work with Keep Cincinnati Beautiful to beautify abandoned or foreclosed buildings in nine different Cincinnati neighborhoods. Apprentices will paint on plywood that will later be installed in selected locations. The paintings will vary from flower boxes to realistic doors that will bring color and life to the boarded-up buildings in these nine neighborhoods.

Apply for this project if you:

- Are interested in painting
- Are interested in beautifying your city

Skills you will use and learn: Drawing and painting techniques

VISUAL ARTS

Stage Crew

In partnership with the Children's Theatre of Cincinnati

(4 Apprentice Artist positions available)

In theatre, backdrops make the show.

Apprentices will work with a master set designer to paint meticulous backdrops for the Children's Theatre's traveling performance troupe, ArtReach. A total of 4 backdrops will be created over the course of the summer to be seen by more than 10,000 students at schools and community organizations around the Greater Cincinnati area!

Apply for this project if you:

- Are interested in painting
- Want to learn more about theatres' "behind the scenes"

Skills you will use and learn: Drawing and painting techniques

VISUAL ARTS

Rookwood Mosaic

In partnership with Ronald McDonald House Charities

(10 Apprentice Artist positions available)

The Ronald McDonald House Charities of Cincinnati just opened a brand new wing to house families with children receiving treatments at Children's Hospital. ArtWorks Apprentices will work with professional artists to create custom mosaics made from original Rookwood Pottery tiles for installation in this new facility's lobby to make it a bright, happy home for these visiting families. This project will include a large mosaic as well as small, uniquely designed hearts to be installed throughout each floor's hallways.

Apply for this project if you:

- Are interested in mosaic and custom installations

Skills you will use and learn: Breaking tile, mosaic design, and grouting

VISUAL ARTS

Glass Canopy

In partnership with Ronald McDonald House Charities

(5 Apprentice Artist positions available)

The Ronald McDonald House Charities of Cincinnati just opened a brand new wing to house families with children receiving treatments at Children's Hospital. ArtWorks Apprentices will work with professional artists to create custom glass installations to look like a rainforest canopy in this new facility, making it a bright, happy home for these visiting families. The glass installations will include plants, flowers, insects, and more, and will be designed specifically for a window-filled bridge-way that connects the new wing to the original Ronald McDonald House.

Apply for this project if you:

- Are interested in fused glass and custom installations

Skills you will use and learn: Fused glass and lampworking
